

We are your Somerset advice service in health and social services and disability rights.

PLEASE BE AN ANGEL

Somerset Community Care Matters is a legal aid service not for profit charity helping people get the community care that they need. It was formerly part of MIND in Taunton and West Somerset but we have our own separate charity number and bank account now.

We would like to help everyone but it cost us £55 an hour to work on these cases. The only income we have is the Legal Aid contract.

All donations help no matter how small

The only regular funding currently for SCCM is the Legal Aid contract and payment we receive when each eligible client's case is closed.

To be eligible you need to have low income and savings, below £8,000. If you own a house it must have under £100,000 in equity value to be eligible.

A Legal Aid case is for a limited time with a fixed fee.

We would like to provide the same quality service to every client.

If you would be an angel
could help so many more people.

and donate we would be very grateful and

Ring 01823 282538 or email sccmenquiries@mindtws.org.uk with your contact details and question.

**ALL CHEQUES CAN BE MADE PAYABLE TO SOMERSET COMMUNITY CARE
MATTERS**
